Rett, I would like to ask you and Ann to provide a DEO briefing as well.

Sidra, I will call you to start putting together a daily schedule for next week.

Edward H. Chu | Deputy Regional Administrator
U.S. Environmental Protection Agency
Region 7 (Kansas, Missouri, Nebraska, Iowa & Nine Tribes)
(913) 551-7333
epa.gov | epa.gov/region7

Subject: Priority Briefings for the Acting Deputy RA

Ed-

Thanks for the call today. We agreed that the Wisconsin matters for which we would brief Jim in first week would be:

Name	Media	R5 Participants in Briefing
1. Milwaukee Metro Sewerage District	Water	Rett, Debra Klassman, Chris Korleski, Linda Holst, Dean Maraldo
2. Central Sands Dairy	Water (CAFO)	Rett, Debra Klassman, Chris Grubb, Chris Korleski, Linda Holst
3. Ozone Designations/SIPs/ Foxconn	Air	Rett, Eric Cohen, Ed Nam, Eileen Furey, John Mooney
4. Container Life Cycle Management/Grief	RCRA/Air	Rett, Ignacio Arrazola, Mike Harris, Ed Nam

Less pressing, but still priorities, are:

5. Back 40/ Aquila Mine	Water	Rett, Reg Pallesen, Chris Korleski, Linda Holst
6. Michigan 404 Program Comments	Water	Rett, Debra Klassman, Chris Korleski, Linda Holst

#5 is obviously not a WI matter, but still a live issue that Cathy/Kurt will need the acting deputy's help with at some point.

We may need to add to this list as things develop, but I think it is the right list for now.

-Rett
